Shining for the Kingdom

"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead, they put it on its stand, and it gives light to everyone in the house. ¹⁶In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Matthew 5:14-16

I have been thinking about this passage over the last few weeks, as we talked about being on mission for Christ. Part of that mission is to be a candle shining in the darkness. As believers, we are the light that is Christ and it is our responsibility to share that light. Over the summer, we are going to have a chance to share that light with our community. It is my hope that you will not only be a part of these great ministries but that you will volunteer to help and invite your friends, neighbor, and family to come.

Youth Luncheon:

On May 15th, the Youth will be hosting a lunch for the church, where they will be preparing, cooking, serving and cleaning. Donations will be accepted to help with cost of the work camp.

ABA Sports Camp:

June 13-16th, this week focuses on teaching basic skills in a variety of sports, Bible study, worship and games. It is open to all children from Kindergarten to 5th Grade; starting at 9 AM and ending at noon. Our church van will be taking as many children as possible each day. We are also in need of adults and youth volunteers

Work Camp:

July 10-16 is Youth Work camp. Student that have completed the 6th grade – 12 grade gather for a week-long camp where our teens repair houses, paint, or clean up yards for people that cannot afford to have the work done and cannot do the work themselves. They also have great worship each night that reminds them of what it means to walk closer to God. Their hard work and friendship is a great way to shine for Christ.

Vacation Bible School:

July 18-22 is VBS during the evenings. We invite all the children in our Community to come for a biblically infused week of fun and activities. Each year the theme changes but the Biblical truths always remain true. Contact Missy and Deborah if you would like to volunteer to help in any way. This will be a week that teaches the adults as much as the children so make plans to come and bring a friend.

As you can see this summer is going to be a great opportunity for us to share the light and love of Christ with our children and youth. We cannot do this without your help and prayers. So please start praying now for our leaders, our students, our community and our church as we let our light shine for Christ this summer and beyond.

Blessings!

Pastor Scott
